Jenni called last week and wanted to set up an appointment for a massage. We set up a time and she was prompt. I had massaged her three or four times before but today was going to be something different. Right from the start I could tell. Jenni would usually just leave

Analicious Erica

Erica and I are both married, but not to each other. It all started after we met online. As we got to know each other, we started to fall for each other. We decided we were both in losing relationships with our spouses. Then one day we decided to meet so we met halfway.

Erica and I met that day at a hotel restaurant, just in case one of us got cold feet. But as soon as we got there we knew that we going to do it, so we skipped the meal and headed straight for the hotel room. After checking in as Mr. and Mrs. we went to the room and we started to kiss, Erica with her hand down my pants, and mine down hers. She was so wet that I slipped in one finger, then two with ease.

A few more minutes of groping and we started to undress each other and soon we were both naked. I pulled her over, then she pushed me down on the bed and started to suck my cock. She took more in her mouth than my wife.

Ain't been laid yet?

I can't believe Kayla when she wrote that she hadn't been laid in months. I mean, look at her. She's the bomb. She can probably have any man she wants. Any man. With a face and body like her, and a willingness to take it up the ass, what more could a man want. I bet she was on vacation or taking care of a loved one to be abstaining for that long.

But if she really is telling the truth and wants to get laid, and wants a man that can do her right, why that would be me. I'm a woman pleaser, or at least that's what all the women have told me. I even had to get a divorce because I was pleasing so many women while I was still married. That was last year. Please forward her my e-mail, phone number and/or address.

—Klyde, Springfield, IL

Then she wanted me to eat her shaved pussy, which I did for ten wet minutes. Then she pulled my head up and rolled me over and climbed on me and began sucking on my hard cock again. She put her smooth pussy on my face and I continued to eat her out as she sucked my cock. I put both hands under her hips and lifted them a little and slid my mouth from her pussy and started to rim her. Erica loved that so much, she decided that she tried to pay me back by trying to take my entire cock deep down her throat.

We finished sixty-nining and she climbed on top of me taking my cock and guiding it into her love hole. At first it wouldn't go in so we went slower. I think she was just wanting to put it right on the opening to tease me. She started to kiss me again I think she liked the taste of her pussy on me because my face was so wet with her juices and she was licking it all up. After she finished teasing me, she started to slowly fuck my cock. I laid there and watched her bob up and

down on it as her boobs bounced and her hair twisted around her head. Then she stopped and got off me and laid on her back and spread her legs wide. She rubbed her clit for a moment and told me to start fucking her again. Ever the gentleman, I obliged.

I positioned myself between her legs and slide my cock into her in one deft motion. After a few minutes of pumping her hard, I shot my first load all over her beautiful boobs. We took a break and then she started sucking my cock again and brought it from semi-limp to full raging hardon again. Satisfied with her effort, she got on all fours and told me to get behind her. I do that and now I'm on my knees as I watch her pull a tube of lube out of her purse and then asks me to put some on her asshole. So I did.

After a few minutes of fingering her asshole, she took my cock and guided slowly it into her ass. We fucked like that for a while as I did my best to keep up with her hip thrusts. Then she wanted to get on me and have her sit on me with my cock still in her ass. She leaned forward, grabbed my ankles and pumped her hips up and down,

giving me a great view of her ass swallowing up my cock.

I shot my load deep into her butt and after another short break and some cleanup, we started to 69 again. Her mouth was so warm and she always had the right pressure on my cock. She mumbled with my cock still in her mouth that I should cum in her mouth this time. When I did, she swirled it around inside and opened her mouth to show it to me – then swallowed it. She told me she never done that before and she wanted to do it again. At this point I didn't know I could get that hard again, but I was still ready to go.

We decided to do it one more time because morning was about to break, and so I started to kiss her and then she went down on me again and she was able to get me rock hard again. We started with doggie-style and I jumped in behind her and jammed my cock into her pussy. I banged that for several minutes when she turned back at me and told me to cum in her ass, not her pussy. She wanted it that way because she was afraid her husband might want to eat her out, but he never goes near her butt hole. A strange way to end our tryst, I thought but what the hell.

– Jacob, Minneapolis

[The tax man cumeth](#)

Hi there, my name is Patrick, and I'm, 52 years old living in Trenton, New Jersey. I'm writing to tell you about a lady who was working in our office. Her name was Sandra and she came to us from a temp agency as our busy season approached. I work in the tax service's regional office. Beginning the first of the year until May is, of course, our busiest season.

Her first day was probably a whirlwind for her. When I first saw her, she was being escorted around the office by the regional manager who seemed to be having a great time of it. As for me, I just couldn't take my eyes off her huge boobs, but the most attractive part of her body was her tight ass. I would look at that ass swaying from left to right when she walked by my station.

On the second day, I found out that I was to work with her for her first two weeks, and then she'd move over to another account manager. We did our thing at the office and in between tax lingo, I learned she was lonely at home with her husband being away a lot so she took the job to fill

her days, but her nights were still pretty empty. Not one to try to take advantage, I played the detached-but-interested card when we weren't talking business.

At the end of her first week, she came into work on Friday obviously upset and a bit under dressed, for her. I asked if she was okay and she said she was, but she was not. I let it ride like that until lunch time, when I asked if she wanted to have lunch and talk bout her 'troubles.' At first she declined but I said that it might make her feel better, and make her afternoon go better. She agreed and when lunch time came around we headed for a snack shop and settled in.

Sandra told me many things about her life that she was not happy with her husband, a good-for-nothing lazy-ass. From that day she became more friendly to me and shared more of her secrets and experiences. I couldn't take it any-more, so on Monday I decided to make a plan to 'seduce' her.

We were working late on Tuesday night, the only ones left in the office. I purposely went inside our IT's server room on the pretense that one of the servers went down. I called her to help me

remove some of the hard drives and replace them. When she came in, I took her hand and pushed her to the wall and started kissing her. At first she mildly resisted but quickly she hugged me tightly and started kissing me like a wild woman. I put my hands inside her blouse and started fondling her breasts. A moment later she took off her blouse and bra and I and I took it as a message to suck her boobs. I started by licking her nipples, swirling my tongue around them.

I turned her around and pushed her chest against the cold wall. I pushed gently into her so she could feel my hard cock against her tight ass. What a feeling it was for me as she reached behind her and felt my hardness. She caught hold of my cock and started rubbing it over my jeans. She turned around and made me put my back to the wall and dropped to her knees and unzipped

my jeans, found my cock through my boxers and she started sucking my cock very hard. I told her that I was about to cum, so she started sucking me harder. I blasted my juices into her mouth and she swallowed it all happily without leaving out a single drop. I told her we should get out of there, but she squeezed my cock and asked "What about me?"

I told her that if she was alone at home tonight, I'd love to make her cum, as many times as she wanted. When she got to my place, we wasted no time. I told her to sit on the sofa, pushed back her skirt and started sucking her pussy over her panties. I soon pulled aside her panty and saw her pussy was clean shaven, so I started sucking and fingering her deeply. She started trembling on the sofa and finally came all over my mouth and fingers, soaking them in her love juice. She stood up on wobbly legs and

told me to take her to the bedroom. She took out my ragingly dick and pulled me in the direction I pointed.

We stripped each other of our clothes and fell onto the bed. I mounted her and kissed her passionately to stop her from moaning and started fucking her. When I was about to cum, she told me to cum inside her mouth. So I fucked her now even harder and as I was about to explode, I pulled out and she quickly got in position to take it in her mouth.

After a short pause, we decided to continue in the bathroom. I had a nice two-head shower with plenty of room for two naked people. We jumped in, soaped each other and I massaged her breasts while she lathered up my cock and balls and gave me a sensual hand job, then a hot blowjob moving her hands back to play with my balls. Finally, after each came again, she dressed and went home.

I'll try my best.
I tried to get

have a feeling

defeat. It may be

Sexy Vanessa

So what am I

I did it. I got it in, and it

I hope he doesn't spoil

I'm from Europe,
but I've been in
the states for sev-
eral years now,
and I love it, al-
most as much as
I like American
men. There are
some things, how-
ever from Europe
that I don't see
that much over
here. Like topless
beaches. They're
just breasts, guys,
everyone has
two of them.

Winnie

And anal sex.
It seems so taboo
here but I like it.
Don't you?

American men are amazed that I give up my ass so willingly. For me, it's just a normal part of love-making, like going to a European beach. But for them, it's like a hidden, forbidden jewel, like going to an American beach. I can only say – loosen up guys, it's only a butt. Everyone has one.

I decided twenty years ago that I would like to have sex on every continent. Well, except Antarctica, of course. My first was in North America, then Europe. My third was in Asia and then Australia.

I got to Cape-town in Africa and did it there. That left South America for my last conquest. I decided to have that one filmed here for posterity.

My boy toy today is Kostia. I met him in Rio when I went there for the FIFA World Cup. He was so sad after Brazil lost so I had to console him. I did my best to make him forget and I think I did a good job. His young cock was delicioso and his stamina made me cum four times in one night. I told him not to wait for another four years to find someone like me to fuck!

Road sex trip!

Hannah had contacted me on a dating site for adults about four months ago. Her messages indicated she was a “size-queen” and liked men with big cocks. I replied to a couple of them. I told her the truth... that I was ten inches long and almost eight inches in circumference. She didn't believe me at first and messaged me back that if that I should send her a photo of my cock and face and a close up of my cock with a ruler next to it. If she liked what she saw, then she'd like to meet me. I sent a couple photos through the website, and she, in return sent me her photo. I liked what I saw, but insisted that she be honest that it was her. A full-figured woman that looked like she could take my cock. She said it was her and responded by saying that I could meet her later that week at her friend's condo and gave me directions. I guess she felt more comfortable meeting a stranger in a place like that.

I took off for her friend's condo on the other side of town after getting directions. She explained we wouldn't be alone at the start but could be later if things worked out. When I showed up, she greeted me with a careful hug. She was dressed in sweat pants and a T-shirt saying she had just gotten there. Her friend was there

and introduced herself. A name I quickly forgot. I did remember — Hannah. We sat in the living room on the couch in front of the TV and talked for a little while to make ourselves more comfortable with each other, and to see if we wanted to go forward. She told me she wasn't shy sexually, but still had a lot of things she wanted to try. She told me that she had a few flings with some guys looking for a big girl fling. She said they were quickies that didn't do much for her. She said that she would like hooking up with me because I knew what to do from the description in my profile, and that she wanted to try being with an well-endowed guy.

Plus she also complimented me on my looks telling me I was handsome which charmed me over. I told her she was very good looking herself, which she was. I told her I loved her looks and was looking forward to sharing my cock with her. I said small girls could rarely take my cock. That made her smile and cuddle up closer with me on the couch. I asked her how she wanted to proceed and kissed her on the forehead. Hannah told me she didn't know what to expect, but wanted to shower before we did anything together and at least make herself look a little more

I worked my tongue gently on the clit to get her more excited and then pushed her hood back and attacked it with my tongue.

attractive. She gave me the remote to the TV and told me she'd call for me when she was ready.

It was about a half hour until I heard her call for me and say she was ready. She told me to meet her in the bedroom at the end of the hallway. I went into the bedroom and saw her laying on her back on her bed against the pillows on her headboard and totally naked. I was immediately turned on and smiled. I began to undress and I slowly crawled onto the bed next to her and took her into my arms. I kissed her forehead, kissed her cheeks and slowly rubbed my hands down to her boobs. She rubbed her hands on my chest and gently across my face. I went to kiss her mouth and we kissed passionately for what seemed a good five minutes as she let out little moans while I played with her full boobs and rubbed my way down to her beautiful mound. I positioned myself over her and took turns with each of her boobs using my tongue. I slowly kissed down to her bald pussy.

I kissed her pubic area and gave it a sensual rub. I licked my finger and gently rubbed around her pussy lips, licked my finger again and ran my finger over her clit, which made her moan a little. I went down and licked around her pussy noticing she was getting very turned on. I gently licked her clit, which made her shiver in ecstasy for a moment. I worked my tongue gently on the clit to get her more excited and then pushed her hood back and attacked it with my tongue. I alternated between slow and fast as I sucked on her clit, teased her clit with my tongue, nibbled gently on it, and would then attack it again as I felt her hand pull my head closer to her, hearing her moans as I worked on her. I slowly eased up, and then played with her clit with my thumb and put two fingers inside trying to find her spot. It didn't take long as she let out a loud moan.

I went a little faster and harder and she began to moan louder and started thrusting her pelvis up and down. Her legs shook, and it was obvious that someone had never done this to her before, or at least done it as I was doing it to her. I began to hit the spot and her clit with my thumb as hard as I could without losing rhythm. She moaned harder and louder and suddenly my arm was wet and she was squirting like a geyser.

Finally she grabbed my wrist, which I took as a signal to stop.

I laid next to her for a few minutes as she was still groaning, shaking a bit, and she told me "I feel like my head is spinning, but it feels so good." I told her it was supposed to, and she confessed that it was something that never happened to her before. She laughed and I laughed as I gave her a kiss. She rubbed my chest again

and put her hand on my cock, which was quite erect at that point. She gently stroked me and kissed me. I felt my cock harden even more as she played with it. By the time I laid on my back it was a full nine inches with maybe one more to go. She looked at it growing with astonishment. "How much bigger is it going to get?" she asked. "A little bit more, especially if you use your mouth." I noticed that as she went down on me she didn't seem have much experience, but I gave her some directions like telling her to go faster, ease up, more on the head, and it all felt wonderful.

Hannah could only get half of it into her mouth, so she spent a lot of effort on the tip and stroking it. She'd nuzzle her nose and tongue on and under my balls, coming up to suck them now and again. I gently put my hand on the back of her head and took some control. I told her to relax her throat muscles and get her breathing in sync with her going down on it. She managed another inch but my length and width were

She tried a couple of times to go far down on it and finally managed to take most of me down her throat. But I think she realized I was too long...

too much for her. I told her with more practice I'm she would do very well.

She came back up and we embraced for a while kissing, rubbing each other's sex, and I noticed her pussy was still plenty wet. By now, I was ready to fuck her. I put her on her back and got on top. I reached for a condom I brought and rolled it on. I slowly inserted myself into her, noticing she had a tight and beautiful pussy for me to enjoy. She let out a groan and squeezed me as I made my way into her. We kissed as I gently teased her pussy without going in and out of it too far. I rubbed her boobs and kissed each of them as I stayed close to her body. I then had her get on her side, laid behind her, reinserted myself into her, and fucked her on her side from behind her as I held her tight and kissed her neck, still playing with her boobs and occasionally reaching down to rub her clit.

After a good fuck in this position, I put her on her back again, took her ankles in my hands and raised her legs up and put myself back into her. She moaned out loud and I alternated thrusting speeds as I fucked her tight pussy. I then rested her legs up on my shoulders, put my hands on her thighs, pulled her up and back a little more against me, and started to fuck her harder. She had her hands on my arms as I fucked her deep and hard. I pumped faster and faster which had her moaning and screaming. I dug my toes into the bed as I hammered down on her. Her meaty body absorbing my pounding until she let out a long moan and I knew she was cumming. She grabbed my buttcheeks and held me in as far as I could go and she grinded her hips into me and I felt the tip of my cock rubbing hard against her cervix.

Then I had her get on all fours. She bent down and rested her head on her crossed forearms and I fucked her from behind as hard as I could until I exploded and shot a huge load inside of her. As I pulled out, I prayed the condom had stayed on, intact, and noticed that it had with my massive load inside of it. I carefully pulled it off my cock, careful not to spill any. After I

cleaned myself off and brought a washcloth for her from her bathroom to clean up with, I took her into my arms and gently rubbed her back as she sighed and melted into my arms.

We sat on the bed, propped on the pillows for a while longer and talked about various things. When I asked her if she wanted me to stay awhile longer or leave,

she asked me to stay the night. I agreed and she playfully pushed me onto my back and went back down on me and started to suck me off again. I again gave her the signals of what was working and it felt amazing to have such a warm and moist mouth on me that I could enjoy.

Hannah asked me if I could cum again and I told her I could. "You want me to cum in your mouth?" she nodded yes. I grabbed the back of her head and moved it up and down with her mouth on my cock. She tried a couple of times to go far down on it and finally managed to take most of me down her throat. But I think she realized I was too long and she'd need a lot more practice to get any further down. But that was okay. She went far enough down so her fist covered the rest of my cock to the base. That made it almost feel like she had taken me all in. I finally came in her mouth and heard her swallow. All was good that night.

Ashley & Magdalene

As for me, my husband died six years ago, and swearing never to be with another man, I've taken to women. And lucky for me, Ashley has taken to me.

When I first met Magdalene, I just moved into the area. She was so sweet in showing me around and being there when I needed something. She's such a considerate lover and I love how she licks my pussy. And she likes it when I do her's, too.
